

Reusable Transport Boxes

Our Reusable transport boxes are completely customisable. The size, shape and material of the boxes and inserts can be moulded to suit your items.

Customisation Available

- Varying types of packaging material:

- Correx, moulded plastics and foams
- Suitable for all uses, provide superior protection
- Custom size, style, colour, thickness
- Efficient, better space optimisation
- Custom profiled foam insert available
- Any printing, including logo
- Lightweight, but strong
- Velcro fastening

Custom configurations available, please contact us to explore options.

Tailor Made For All Shapes and Sizes

All boxes can be made-to-measure, with internals to offer maximum protection for your valuable or sensitive equipment.

- Laptops and Computers
- Monitors
- Photographic Kit
- Lighting
- Test Equipment
- Scientific Test Units
- Survey Monitoring Equipment

Whatever you need, we can provide the “Perfect Fit”

Custom configurations available, please contact us to explore options.
